Zoom Login Instructions

Recommended you connect from a computer browser

Step 1:

Click on the URL provided.

Once clicked, it will ask you how you want to launch the app. It will automatically download to your computer. Save and Click on application once downloaded

If download doesn't work, you can join via the browser.

Step 2:

If you arrive before your tutor, don't worry, the video will start once they are logged in. Your screen may look like this in the meantime.

The meeting has not started

The page will refresh in 5 seconds, or reload the page now.

Just before entering the meeting, a pop up box will ask you to enter your name. Please enter your full name.

Step 3:

If on the computer, join by computer. If using phone, join by phone. Make sure your audio and video work before working with the tutor. You can do that by clicking 'test computer audio.'

Step 4:

Make sure your video is on. If it is not on, there will be red line across it on the video symbol.
